

Maison de la Mer

This 5 bedroom villa recently refurbished to a very high and tasteful standard with amazing sea views from both ground floor and 1st floor, built on a private plot of 3980M².

The property is equipped with sound system and climate control in each room. The property has on the ground floor a very practical open lounge / dining / Kitchen area with large patio doors that lead out to the garden, BBQ and pool area.

Also on the ground floor are 3 Bedrooms two of which are en suite and the 3 adjacent to a full Bathroom, TV/ Music room, Utility room and Vast storage areas.

On the 1st floor you will find two bedrooms, one of which is the master suite, both have full en suite bathrooms, large terrace areas and stunning sea views.

The project comes with a building li-cense to extend the property allowing to be add a double garage. The villa is located in a very peaceful area, with several beaches nearby, the closest being Albandeira beach.
